## Welcome to 2015 at College!

2014 ended on a high: the sensational Snow Queen production, a magnificent Carol Service at Guildford Cathedral and the annual Certificate Evening celebrating the brilliant achievements of the Class of 2014. All in all, a fabulous demonstration of our students' extraordinary talents - and a testament to the rich educational opportunities offered by the College. You will read more about these activities here in the second edition of the 'News @ 6th'. Enjoy!

We will soon be launching the elections for the new 2015-16 Student Association. I would like to thank this year's SA for their hard work and contribution to College, making it an exciting place to learn, enjoy and achieve.

Inspired by the students - see the amazing hair and fund raising contribution made by **Ali Brady** - I am preparing for a skydive in May to fundraise in support of local projects to raise aspirations in the Borough's young people. Yes, it's push the Principal from a plane time! My aim, with your help, is to raise £10,000 - full details of how you can support me will follow in the Spring.
