Busy times and falling out of planes

As we cast off the winter blues and enjoy this lovely time of year, it's important to bear in mind that very soon students will be sitting down to complete the most important exams of their lives. With so much riding on the Summer exam period, it is critical that all first and second year students prepare for the challenge. Whilst subject teachers will have advised classes on how to plan a revision schedule, please impress upon your son/daughter the importance of thorough preparation: in my experience, a good Easter revision period can add a grade to the final result.

Spring is always a busy time in the life of the College; you will see from the newsletter the wide ranging activities in which so many of our incredible students are engaged.

You may have seen that on 5 May 2015 I am attempting to raise funds for the Community Matters Partnership Project, helping raise aspirations in the young people of Rushmoor. I'll be skydiving over Salisbury Plain - if you are able to make a contribution, I'd be very grateful: every penny raised will go to a really good cause. Details of how to sponsor me can be found [here](#).

May I wish you all a very happy Easter.
