

Careers Education, Information, Advice and Guidance

Student Entitlement

The College firmly believes that all students have an entitlement to Careers Education, Information, Advice and Guidance that will enable them to achieve personal and economic well-being and manage the lifelong process of career planning and progression. Careers Education, Information, Advice and Guidance is a College-wide responsibility, delivered via Personal Tutors, Senior Curriculum and Curriculum Managers and qualified Careers Advisers to facilitate progression. All students are invited to participate in a variety of careers, higher education, apprenticeship and 'the world of work' activities and are entitled to an impartial careers appointment to discuss their plans for the future with qualified Careers Advisers in College.

Need help with your future plans?

To book a careers appointment to discuss your options and plans, visit The Prospect Trust Careers Service Department in the careers building, which is near the Prospects Theatre and Sports Hall, facing the staff car park, email careers@prospecttrust.org.uk or visit the Careers, Higher Education and Enrichment section on The Study Directory.

Nikki Coleman - Head of Prospect Trust Careers Services
