

The exam season is well and truly upon us! Good luck to all those who are taking (or have already taken!) the most important exams in your lives so far. I'm sure that all your hard work and diligent revision will have paid off when you get the results in August.

Level 3 results (A level, BTEC and so on) will be published on **16 August** with GCSEs a week later. We will be holding celebrations here at the College, giving students a chance to come in and enjoy the outcome of their efforts with staff and friends. It's a nerve-wracking time for all concerned but regardless of the results, the College is open and ready to support everyone with their next steps.

The second half of the Summer term is busy for current students beginning their second year of Level 3 teaching. There will be **Progression Evenings** on 20 and 21 June for parents/guardians to find out about the second year of College life and the challenges that come with it. Students will have the opportunity to attend **Moving on Day**, a careers exhibition to get them thinking about the future once they finish their final year.

## Coming up...

Take a look at our [College calendar](#) for all upcoming events.
