## Information and Prices

**2018-2019**

**Please enquire if you need this booklet in an alternative format.**

## GENERAL INFORMATION

The College has negotiated with the transport providers to obtain favourable rates for students travelling to College by bus or train. Stagecoach buses offer additional value as these tickets can be used outside College hours, including holidays. However, these prices are not necessarily the best value for some routes. We strongly recommend you research your proposed route of travel to ensure you have good value for money.

**Prices for the more popular routes** are shown inside this booklet. Prices for other routes can be obtained from Mary Marsh in the Student Services Office. Stagecoach bus passes can be paid for in two instalments (first payment September, second payment December). Flexible payment options are also available please read on for more details.
